Over 100 children registered to “Give Squash a Go” in Christchurch during the July School Holidays.

This was the 2nd consecutive year Burnside Squash Club had been part of the KidsFest holiday programme and they enjoyed a whopping 67 children registering to try squash at their club. The club has enjoyed a spike in junior membership with a good number of children joining the club after trying squash through 2017 KidsFest Programme, these children are now playing in the Junior Interclub combined division.

Well done to both Linwood and Christchurch Squash Clubs who also ran successful programmes during Kidsfest.

Kidfest has been running programmes since 1992, it is a well-regarded and proven platform to promote Squash and we hope more clubs will come on board in 2019 to support this initiative.

Junior 2100 #4 – Results

Burnside Squash Club hosted the fourth Junior 2100 and below tournament on the 29th of July 2018. This was a great tournament as we had 37 entries in total. The tournament had 5 divisions in total with three of them being played in the morning and two of them in the afternoon. It was fantastic to see Juniors coming from all over Canterbury to participate in this tournament. It allowed for some very hard fought, social matches across all divisions which were played in a positive spirit.

A massive thank you to all the parents who brought the participants along to Burnside Squash Club, tournaments like this couldn't happen without you getting the children to the clubs. Also, a massive thank you to those who worked *tirelessly behind the scenes to help this tournament go ahead and run smoothly on the day.* Nick McGillivray – Junior Convenor Burnside Squash Club.
