CEO Report

It's wet and windy and wild outside as I write this, courtesy of what is by all accounts a 1 in 100 year weather bomb delivering phenomenal amounts of rain. It has definitely slowed up the internet speed considerably which is why this newsletter might reach you a little bit later than I would have liked!

As you can probably gather from the length of this edition of the newsletter, May was absolutely chocker block with tournaments and different pieces of news. And we wouldn't have it any other way would we? We ticked off 3 more events on the SBA Accounting Tournament Road, the Canterbury Junior Open, Junior 2100 #2 and the Canterbury Secondary School Championships, while the Canterbury selectors have also named their team for the Quadrangular Tournament at the Timaru Squash Club on the 12th & 13th of June. Interclub has kicked off all around the District, as well as the different social leagues – one of which I made my squash debut in a couple of Thursdays ago, being seconded off of the reserves list! They've not asked me back just yet.....

Squash Canterbury also held their Annual General Meeting on Friday 28 May at the Christchurch Football Squash Club while the first round matches of the Canterbury Junior Open was taking place. It was good to see representation from a number of clubs there, including those from Marlborough who were in town for the Junior Open. I would like to thank Joe Williams and Helen Curd-McCullough for their time as Board members over the last two years, and also welcome back Paul Monk and Shelly Drummond who were re-elected.

You may have also seen earlier in the month when my resignation as CEO was announced due to me heading over to the UK. It was a very tough decision, and I'm sad to be leaving the Squash Canterbury community and its' lovely people, but ultimately in the end there was only one option and that was to go and reunite with my partner who I haven't seen since April last year during the onset of Covid-19! So please forgive me for taking off when you've probably only just gotten used to me. My last day will be on Friday 2 July, so if there's anything that I can do for you or your club before I finish up then please don't hesitate to get in touch.

Participation Activators Report

Participation Activator – Greater Christchurch

With our brilliant Junior Development Officer Di McCoy finishing her time with us earlier in the month, it has been somewhat of a changing of the guard at Squash Canterbury in this space. We have widened the scope of the role to increase participation in any particular target group, so the role is now called Participation Activator and has been filled by Ryan Frampton.

Ryan played squash throughout his time at Christchurch Boys' High School, and also played Interclub for his home club, Malvern Squash Club. After completing a Bachelor of Sport and Recreation Management at Lincoln University, Ryan has come back to the sport and is excited to work with different ages and groups to provide them with positive squash experiences. He can be contacted at juniordev@squashcanterbury.co.nz.

He's already been busy in the role, with the Junior 2100 Tournament #2 and Canterbury Secondary School Championships being held since he started. Catch up on the results from those events later in this section.

Participation Activator - Marlborough

Squash Canterbury was delighted to be granted funding from the Pelorus Trust to employ a Participation Activator in Marlborough for 5 hours per week, and we would like to welcome Julie Brown to the role. Check out Julie's introduction:

"Hi I'm Julie Brown (nee Gillaly), and I have recently been appointed in a new role as a participation activator for the Marlborough Region. I am a competitive squash player and have been around for some time, moving my way up the country and back down again to Blenheim where I have recently relocated with my young family. I have two children, Jacob (2) and Sophie (4) who love being down at the squash courts running around and generally causing chaos. My husband Dave also picked up a racket after getting bored being dragged around tournaments each weekend as a spectator! I started off playing as a junior in my hometown of Alexandra and have spent the last ten years or so up in Auckland. I have been fortunate enough over the years to have represented the Otago, Wellington, and Auckland districts and love both the competitive and social aspects which the game offers.

I am hugely passionate about growing the sport as a whole and spreading the squash bug to anyone that I can push onto a court. As a school teacher, I also have a keen interest in developing junior squash and have been busy of late setting up a 'Have a Hit' programme for new junior players in Blenheim. We currently have around 25 keen kids attending the programme each week and learning our beautiful game. An under 900 series is in the pipelines and a focus on promoting our Marlborough Junior Open. This round I have been coordinating our Winter Interclub and have plans of implementing further initiatives to provide opportunities for new senior and masters players in the area. I look forward to meeting you all around the

tournament scene this year."

Participation Activator – West Coast

Squash Canterbury is also excited to finally be able to share that through the Tu Manawa Active Aotearoa Fund, and in collaboration with Southern Zone Rugby League, Touch Canterbury, KiwiTag and Ki-O-Rahi, funding was received to appoint a combined Participation Activator role for these sports on the West Coast. Michael Cook was the successful candidate for the role, and he is currently finding his feet and working with Clark Ellery and Phil Donaldson of the Greymouth Squash Club discussing what areas of squash he can work in to increase participation. He has also been working with Sport Canterbury on the West Coast about the possibility of hosting squash school holiday programmes, as well as getting some squash sessions in high school. He is also trying to get to club nights to meet the different people playing squash and learning more about our great sport.

It's very exciting to have dedicated resource to growing the sport of squash, and we look forward to supporting Ryan, Julie and Michael in their initiatives and endeavours!

Squash Canterbury Junior 2100 #2

Our second 2100 tournament of the year was held on the 15th and 16th May at the Hoon Hay Squash Club, with a full tournament of 48 entries! There were 5 graded divisions and 1 ungraded division, so it was fantastic to see all abilities of juniors having a competitive yet fun run around and getting games in a tournament setting under their belt. A big thank you goes to Marliesje Bremmers and Nadia Karati from the Hoon Hay Squash Club for their work as tournament controllers, and for giving up time on their weekend to facilitate this opportunity for the youngsters.

Canterbury Secondary Schools Championship tournament

The Canterbury Secondary Schools Championships took place on the 22nd and 23rd May, again at the Hoon Hay Squash Club. There were 21 entries from 11 different schools around Canterbury, with strong participation from Christchurch Boys' High School and Cashmere High School. A huge thank you to Nadia Karati for being a brilliant tournament controller – it's awesome to see young people in squash taking an interest and getting involved in these roles. Well done Nadia! Thanks also to Tom Ravenscroft, Squash Canterbury intern, for volunteering his time, as well as to the Karati family for getting things kicked off by refereeing and marking first round games.

Congratulations to Ryan Ko and Petra Curd-McCullough for walking away with the championship titles, which makes it three consecutive titles for the both of them.

Mike Beresford – In Loving Memory

The squash community experienced a significant loss when Mike Beresford sadly passed away in April. It was an extremely sad, and busy, time for the Christchurch Squash Club, and now that a few weeks have passed they have kindly provided an obituary for Mike to share with the Squash Canterbury whanau.

“It is with a heavy heart we acknowledge the passing of Mike Beresford - President of Christchurch Club, family man, friend to all and a massive inspiration to all of the Canterbury Squash fraternity. It was Mike’s vision to build the best state of the art 8 court facility in Australasia. Quite simply if it was not for the drive he had and his ability to inspire those around him we would never have built it.

But it is not just the bricks and mortar that we will remember him for. It’s his efforts to get more juniors and in particular females participating in squash. All the committee was constantly barraged with ideas from Mike on new initiatives to get more people playing the game he loved so much.

We will all miss him both on and off the court.”

Canterbury Representative Team Selectors

Squash Canterbury has now updated the Representative Teams Booklet for 2021, which can be found on our website at www.squashcanterbury.co.nz. Those that were identified by selectors as being in the pool of players that could represent Canterbury in 2021 have now confirmed their availability for selection or not. However, even if individuals were not in the initial pool of players they are still eligible for selection depending on their results throughout the season.

We still have a number of vacancies within the selectors, convenors and managers panel, and are looking for volunteers for the following positions:

- 1 x Masters National team Manager
- 1 x Masters Men selector
- 1 x Masters Women selector
- 1 x Junior Convenor
- 1 x Boys Junior Nationals Team Manager
- 1 x Girls Junior Nationals Team Manager
- 1 x South Island Junior Teams Manager

The selectors, convenors and managers currently holding a position are:

- Senior Convenor – Craig Hibbert
- Senior Men Selectors – Rod Hayes, Lawrence Skurr
- Senior Womens Selectors – Jess Wilson, Lawrence Skurr
- Senior Men’s Nationals Team Manager – Craig Hibbert
- Senior Women’s Nationals Team Manager – Rod Hayes
- Masters Convenor – Alan Dallas

Paul Coll wins big at Canterbury Sports Awards

World number 4 Paul Coll was rewarded for his standout 2020 year on the PSA World Tour by being named as a finalist for the AECOM Outstanding Sportsman of the Year Award at the ORIX New Zealand Canterbury Sports Awards. Paul was up against Chris Johnson (horse racing) and Codie Taylor (rugby) in his category, and went on to beat both to win the trophy. His win in the category meant that he was then a contender for the ORIX New Zealand Supreme Sportsperson of the Year award later in the evening. Other contenders for this award were the other winners in the categories, including Olivia Merry (sportswoman), Crusaders (team), Peter Fulton (coach), Gareth Greenfield (official) and Sophie Pascoe (para athlete/team).

It was an amazing moment for Paul, his family, the Greymouth Squash Club, the wider Squash Canterbury and Squash New Zealand communities when Paul was then announced as the Supreme Sportsperson of the Year award. It is a phenomenal achievement to see squash being recognised against other bigger and more highly resourced sports, and it is a testament to Paul and his hard work throughout his career that he is being acknowledged for his efforts with these accolades.

It capped off a big week for Paul, who was runner up at the PSA World Tour Platinum Event at the El Gouna International Squash Open in Egypt, going down 0-3 in the final to Mohamed

Football Open

The sold-out tournaments just kept coming, with Football fielding a whopping 119 players for the fourth fixture on the SBA Accounting Tournament Road 2021. It was a fantastic effort by Kirsty Whiteside, Aaron Warner and their team as they successfully held the biggest tournament in 2021 in the Canterbury District to date – well done to the entire Christchurch Football club. It was great to see more players from other Districts making the trip to Westminster Park, with representation from Midlands, Otago and Central. Squashies from around the country were also treated to some quality live streaming, including the finals, from Court 2 via the Squash Canterbury Facebook page, so a big thank you to Nathan Smith for organising that. Canterbury Junior Open

And last but not least for the month of May, the anticipated return of the Canterbury Junior Open after it was unfortunately cancelled in 2020 due to Covid-19. 60 of the up and coming junior players from all around the District participated in a great few days of squash at the Christchurch Football Squash Club, which is an increase from 48 players in 2019. 20 of the players at the Junior Open were J graders, so it goes to show the great work that clubs and Squash Canterbury are doing to bring new players into the sport, and we look forward to seeing those players progress through the grades. A big thank you again to Kirsty Whiteside, Aaron Warner and their club for hosting a thoroughly enjoyable weekend. Club Resources

Tu Manawa Active Aotearoa Fund

Tū Manawa Active Aotearoa is the new Sport New Zealand fund, replacing KiwiSport, that provides funding for initiatives that deliver sport, active recreation or play to children and youth. This fund has a particular emphasis on delivering outcomes for those living with a disability, those in higher deprivation communities, and also girls and young women. Projects targeting these groups will be prioritised for funding. Sport Canterbury and Sport Tasman are encouraging collaborative applications with other clubs from the same sport or from different sporting codes, so please do get in touch with clubs nearby in order to pool your resources. Keep an eye out for new funding rounds now that we're into 2021.

For clubs in Canterbury and West Coast, details here:

For clubs in Nelson Bays, Marlborough and Kaikoura, details here:

Squash New Zealand Online Coaching Modules

Are you interested in giving back to your club by doing some coaching, or becoming a fully-fledged squash coach? The first step along the coaching pathway in New Zealand is to complete the Squash NZ online coaching modules and complete practical workshops that put those modules into practise. The three coaching stages on the pathway are Foundation, Development, and Performance. In order for Squash New Zealand to provide facilitators to host the practical modules around the District, they are looking for as many people as possible to complete the online modules in order to make the finances and resources allocated to facilitating the modules as worthwhile as possible.

The link to the Squash New Zealand website that has more information about the online modules and how to start them is: <https://www.squashnz.co.nz/coach/index.cfm>

Pay2Play

If your club is interested in exploring a new revenue stream, Pay2Play are offering an outstanding deal to help as many sports clubs as possible install a user pays system for casual users. Casual play has been dramatically increasing across all sports over the last few years, and in 2018 Squash Canterbury installed Pay2Play at Squash HQ which has allowed members of the public to book a court for \$10 per 30 minute slots. Not only has this boosted the use of the Squash HQ facility and introduced more people to the sport of squash, it has also provided extra income each year for Squash Canterbury. The Pay2Play offer consists of installing the online booking system at no cost – the features of which include member management, booking system, payment method, administrative features for members and casual users, and much more. This is a fantastic deal designed to reduce the financial barrier for clubs, and the costs associated with installing the electronic keypad for entry into the building can be covered by grant funding. If you would like to find out more please contact Kristy at info@squashcanterbury.co.nz, or contact Pay2Play directly at info@pay2play.co.nz

MAY 2021 NEWSLETTER

Volunteer of the month

The volunteer of the month for May is none other than Nadia Karati of the Hoon Hay Squash Club. As you may have seen from throughout this newsletter, Nadia has recently taken up learning the ropes of being a tournament controller, and has already ticked off helping to run her first Junior 2100 tournament and also running the Canterbury Secondary School Championships. This is a significant role without which tournaments simply could not happen, and it is exciting to see a young squashie like Nadia getting into this side of the sport and giving back at her club. Thank you Nadia for your time and energy the last couple of weekends, and we look forward to working with you on more tournaments!

Got someone at your club who does outstanding work behind the scenes that deserves some recognition? Now more than ever, it is important to be acknowledging and thanking our volunteers who put in their time and effort to keep our clubs ticking over. Get in touch with Kristy at info@squashcanterbury.co.nz with a small bio and a photo, and she will put it in next month's newsletter!
